

Weekly Report

Pingping Shang

2013.7.8~2013.7.14

Work in this week

- 1 Implement the hierarchical clusters of the parallel coordinates. Because of the amount of users contained in a subblock varies from one to hundreds, the effect is not very well.
- 2 Discuss the next step of my research with others and plan to implement the mathematics models extracted from excellent team which had joined the competition.
- 3 Study HTML+CSS+JavaScript and read the material Yuxin assigned.

Plan for next week

Implement the mathematics models build for telecom data;

Finish task which Attic assigned.
